

A decorative teal-colored shape with a white dashed border, resembling a stylized frame or a piece of fabric. It is adorned with several floral elements: a large pink flower with a light blue center in the top left, a light blue flower with a blue center below it, and a cluster of flowers in the bottom right, including a large light blue flower with a blue center, a smaller light blue flower with a pink center, a pink flower with a light blue center, and a small pink flower with a blue center. There are also several light blue leaves and small pink hearts scattered around the floral arrangement. The entire design is set against a white background with a horizontal pink band behind the teal shape.
