

Bats DIGITAL NOTEBOOK

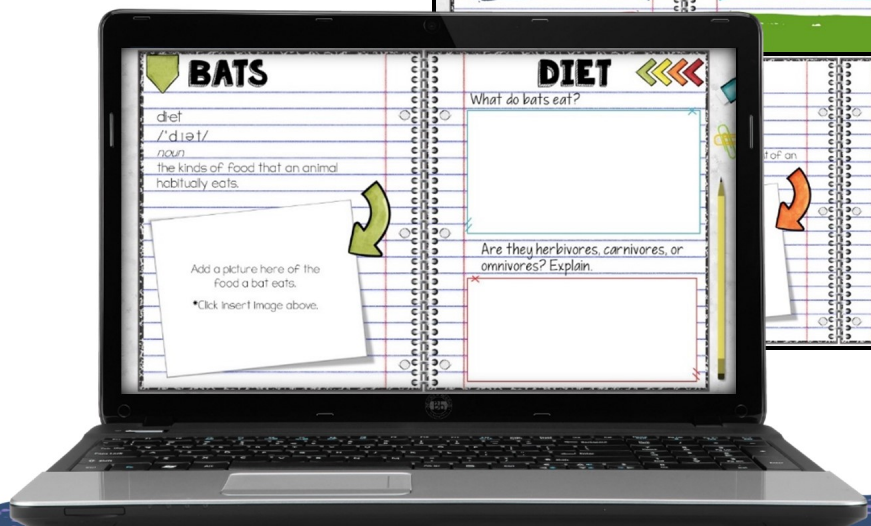

INTERACTIVE NOTEBOOK DESIGNED FOR GOOGLE SLIDES™ AND TPT EASEL

INTERACTIVE SLIDES

SAMPLE LESSON PLAN

The collage displays several digital notebook pages for bats, each with a different theme and interactive elements:

- BATS**: A general introduction page with a grid for notes and a "What I know" section.
- PICTURES**: A page with multiple boxes for adding images of bats, each with a "Click Insert Image above" instruction.
- APPEARANCE**: A page titled "Describe a bat" with a grid for notes and a "What I learned" section.
- CLASSIFICATION**: A page featuring a colorful pyramid diagram for taxonomic classification (Kingdom, Phylum, Class, Order, Family, Genus) and a "Fill in the classification chart" section.
- VOCABULARY**: A page with terms like Carnivore, Colony, Mammal, Migrate, Echolocation, Hibernation, and Nocturnal.
- DIET**: A page titled "What do bats eat?" with a grid for notes and a "Are they herbivores, carnivores, or omnivores? Explain." section.
- HABITAT**: A page titled "Where do bats live?" with a grid for notes and a "What I still have" section.
- PREDATORS**: A page titled "What preys on bats?" with a grid for notes and a "What I still have" section.
- FUN FACTS**: Multiple pages with fun facts, such as "Bats are the only mammals that can fly" and "Bats can fly up to 60 mph".

Included SLIDES

- Text boxes ready for students to add answers

Included SLIDES

BATS

Lets learn about bats. First, we will watch this video. Then, answer the question.

Click Here

WHAT DID YOU LEARN FROM THIS VIDEO?

BATS

1. Read this book. Click the books to start reading.
2. Answer the question.

WHAT DID YOU LEARN FROM THIS BOOK?

BATS

Next, read this book and then answer the question.

WHAT DID YOU LEARN FROM THIS BOOK?

FUN FACT!
Bat are the only flying mammals.

Includes:

- Slides for adding digital links
- Great for linking to videos, books, websites, and more.
- Add in your own links that fit your students needs.
- Place for students to add what they have learned.
- Fun fact on slide.

Included SLIDES

BATS

CLASSIFICATION

Fill in the classification chart.

Kingdom
Phylum
Class
Order
Family
Genus

BATS

Carnivore Colony

Echolocation Hibernation

VOCABULARY

Mammal Migrate

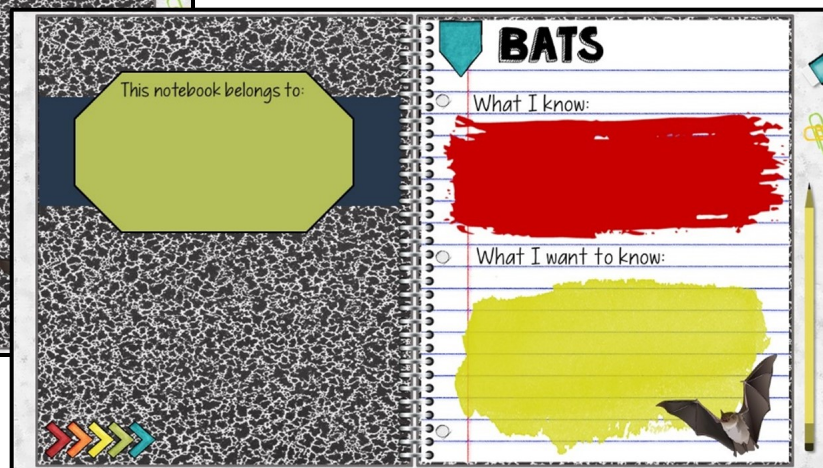

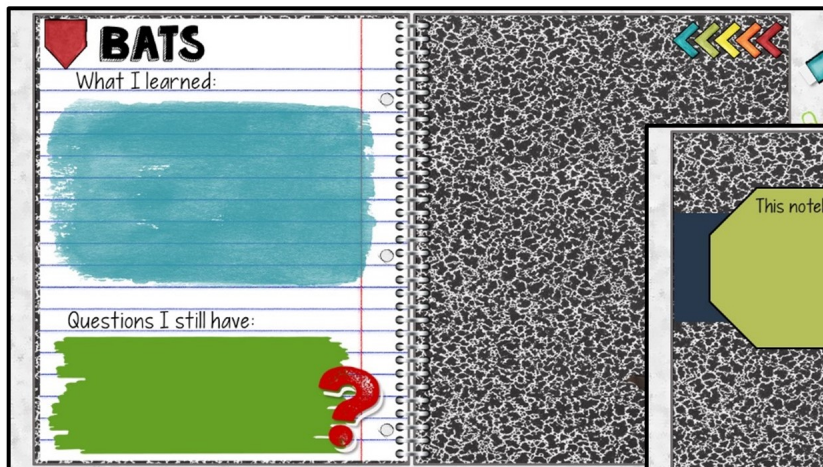

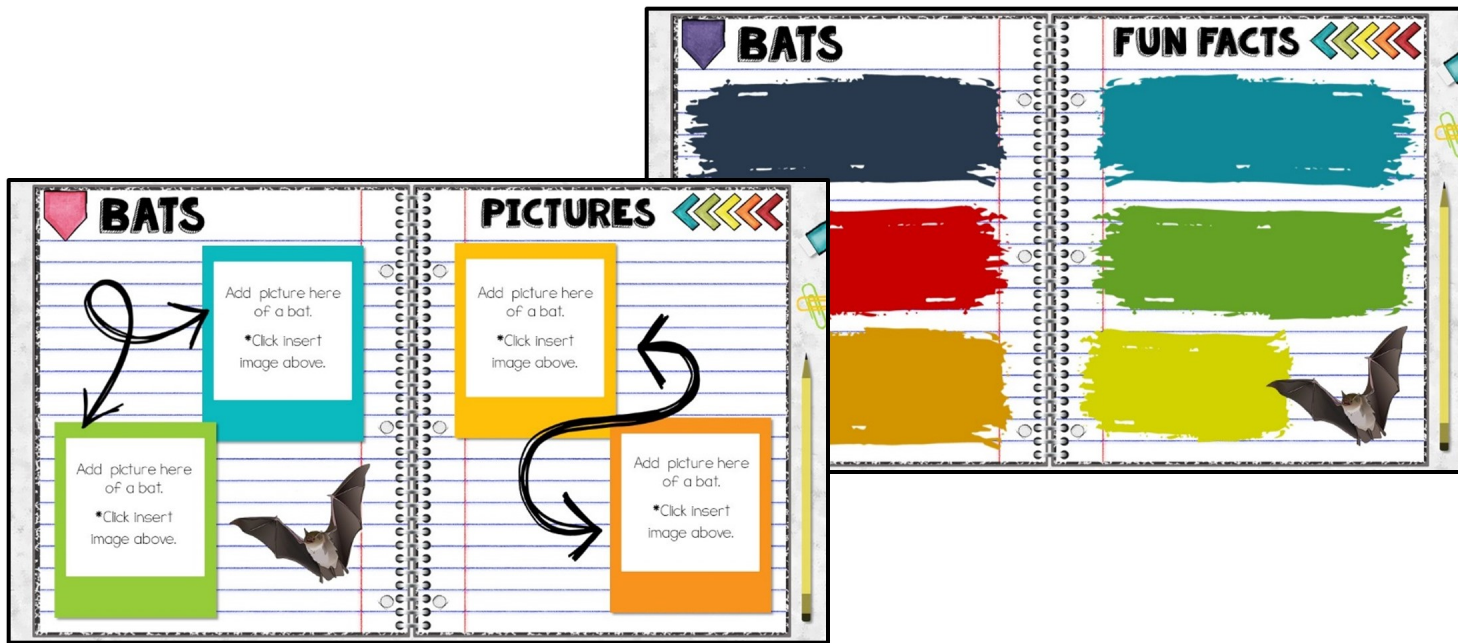

Nocturnal

BATS

Includes:

- Classification Slide
- Vocabulary Slide
 - Carnivore, colony, echolocation, hibernation, mammal, migrate, nocturnal
- Research/Report slide

Included SLIDES

Includes:

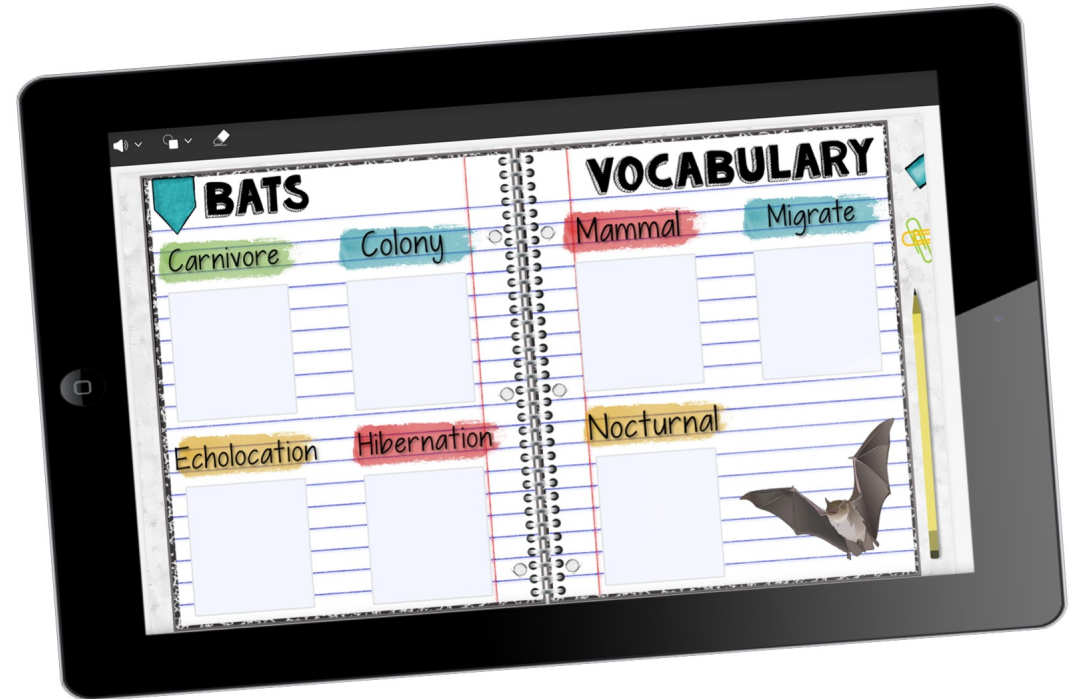

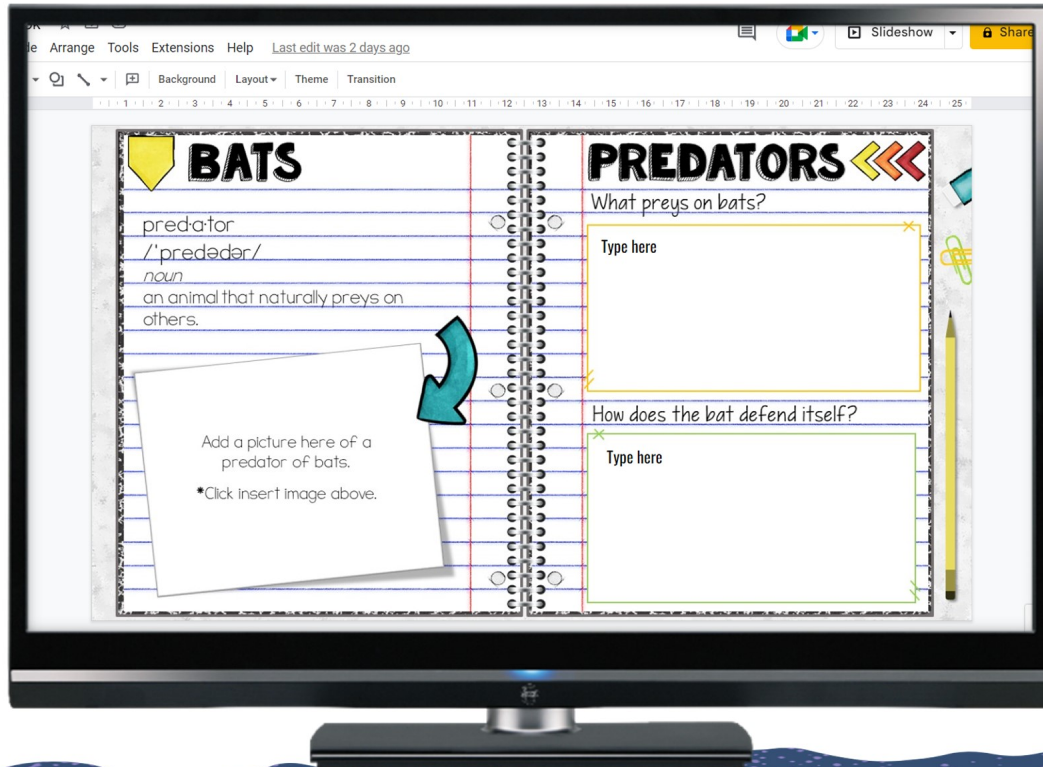

- K.W.L. slides
 - What I know, What I want to learn, What I learned, Questions I still have
- Fun facts slide
 - Student adds in own facts
- Pictures slide
 - Student adds in own pictures

Included Versions: (see video preview for more details)

- Google Slides
- TPT Easel
